kollektor.io NFT platform

Sports clubs and live events need to ...

... win over Gen Z and A

... deliver better ROI to sponsors

... create long-lasting digital communities

The opportunity

Drive fan loyalty

Create gamified, unique experiences that enhance the fans' connection to the team and the sport

Drive revenues

Enable transactions for your sponsors, and collectibles for your fans to showcase their favorite moments

Drive local partnerships

Partner with local vendors to offer fans real-life incentives based on their interactions during the game
